Physically disabled: In accordance with the provisions of chapter 196 of the Acts of 1946, persons qualified to vote but unable to appear at a registration office because of a physical disability were examined for registration in their homes or other places of confinement upon receipt of an application for such registration. Applications were received from 303 such persons. Of that number 151 were found to be qualified and were duly registered. It was found that 37 of the applicants were previously registered and on the voting lists. Persons so registered or on the voting lists were furnished with applications for absentee ballots for the State Election.

Supplementary registration of Federal Service Personnel: Under provisions of chapter 51, sections 50 and 51 of the General Laws, as amended by chapter 511, sections 2 and 3, of the Acts of 1962 certain persons were permitted to register during the period from the close of registration to the third day preceding the State Election. There were 89 such registrations in Boston.

Qualifications in order to vote for Electors of President and Vice President only on a partial ballot: Chapter 437 of the Acts of 1962 made it possible for persons residing in the Commonwealth who do not qualify for full registration due to a lack of one year's residence prior to the State Election, but who will have resided in the Commonwealth at least thirty-two days prior to said Election to qualify to vote for Electors of President and Vice President only. Applications were received from

473 such persons. Of that number 414 were found to be qualified. A special polling place equipped with two Shoup voting machines was set up in the corridor on the first floor of City Hall Annex, and persons so qualified were notified by mail as to its location in order that they could cast their ballots for such Electors only.

Number of Voters

At the City Election, held November 5, 1963, the number of voters on the list was 309,082. The number of such voters in the first list published by the Board August 31, 1964, was 280,022. From that time to the close of registration for the State Election there were added the names of 36,025 voters. Included in this latter figure are the names of 5,283 voters who were restored to the voting list without registration, under the provisions of chapter 244 of the Acts of 1947. The number of voters on the final list sent to the polls on the day of the State Election, held November 3, 1964, was 316,047, an increase of 6,965 over the number on the list at the preceding City Election. The number of voters on the final list December 31, 1964, was 316,067.

In addition to the above, 414 persons were qualified to vote a partial ballot for Electors of President and Vice President only.

Nomination Papers, Referendum and Recount Petitions

The Board received 15 nomination papers for the Special State Primaries in Ward 22, on which 406 names were certified; 820 nomination papers for the Presidential Primaries, on which 12,288 names were certified; 5,060 nomination papers for the State Primaries, on which 112,688 names were certified; 1 initiative petition, for repeal of powers of the Governor's Council, consisting of 142 papers, on which 1,483 names were certified; 1 question on public policy, for police salary increase, consisting of 723 papers, on which 18,546 names were certified; 13 petitions for recounts of ballots cast in the Presidential Primaries, consisting of 59 papers, on which 833 names were

certified; 10 petitions for recounts of ballots cast in the State Primaries, consisting of 31 papers, on which 480 names were certified; and 3 petitions for recounts of ballots cast in the State Election, consisting of 68 papers, on which 1,050 names were certified; making a total of 6,918 papers filed, on which the names of 147,774 voters were certified.

Recounts

Recounts of the votes cast in the Presidential Primaries for Democratic Delegates at Large to the National Convention (Wards 10, 11, 19, and 20), Democratic State Committee-Man (Ward 17), Democratic State Committee-Woman (Wards 7, 16, and 17), Democratic Ward Committees (Wards 1, 2, 11, and 19), were held on May 11, 12, 13, and 14, 1964.

Recounts of the votes cast in the State Primaries for Democratic Representatives in the General Court (Wards 11, 17, 19, and 22), and for Republican Representatives in the General Court (Ward 22), were held on September 18, 21, and 22, 1964.

There were no recounts in the State Election.

Revision of the Voting List

The names of 3,676 voters were stricken from the voting list by reason of death, removal from the city, and other causes.

Jurors

The jury list prepared by the Board in 1964 contained the names of 8,152 voters of Boston. During the time covered by this report 2,801 were drawn for jury service.

Absentee Voting

Absentee voting applied to the State Election. Chapter 374 of the Acts of 1963 relative to examining, counting, canvassing, and casting absent voter ballots made it necessary to set up a central counting place as no absent voter ballots were sent to the 275 precinct polling places. The examination of envelopes and affidavits was held in the central office on November 3, 1964, from 12 noon to 5 a.m. on November 4, 1964.

The actual counting of the absent voter ballots was held in the first floor corridor of City Hall Annex, from Tuesday, November 3, at 8 P.M., to Thursday, November 5, at 12 midnight. After canvassing of the votes cast in the 275 precincts was completed, it then was possible to add to each precinct count the number of votes cast by absentee ballots in the central counting place. Set forth below are statistics relating to absentee ballots:

Applications received:	
Civilian	2,297
Physically disabled	1,832
Federal Service Personnel (Registered)	815
Federal Service Personnel (S.A.V.)	2,290
Total	7,234
Applications rejected:	
Civilian	278
Physically disabled	139
Federal Service Personnel (Registered)	0
Federal Service Personnel (S.A.V.)	413
Total	830
Ballots mailed to:	
Civilian	2,019
Physically disabled	1,693
Federal Service Personnel	2,692
Total	6,404
Ballots returned from:	
Civilian	1,748
Physically disabled	1,402
Federal Service Personnel	2,163
Total	5,313
Ballots returned unclaimed:	
Civilian	15
Physically disabled	15
Federal Service Personnel	21
Total	51
Ballots returned too late to be cast:	
Civilian	56
Physically disabled	92
Federal Service Personnel	66
Total	214

Of the 5,313 absent voter envelopes returned and examined, 224 were rejected for various reasons by the examiners, and none of the ballot envelopes, so rejected, were opened to reveal the contents thereof. The remaining 5,089 ballot envelopes were subsequently opened by the counters, the ballots enclosed therein were put through registering ballot boxes, then removed from said boxes, sorted into precincts, counted, and the results added to the total vote sheets used at the polling places. This method of examining, counting, and recording absent voter ballots is accurate, but exceedingly time consuming, and has to be done at the same time that there are so many other department functions taking place.

New Legislation

Voting Lists: Chapter 72 of the Acts of 1964 reduces the number of voting lists to be sent to a polling place where voting machines are used.

Acceptance of grants or gifts: Chapter 99 of the Acts of 1964 provides that officers and departments of cities, towns, and districts may accept grants or gifts for municipal purposes and may expend the same without appropriation.

Party Enrollment: Chapter 254 of the Acts of 1964 forbids a person who changes his party enrollment, from being a candidate for nomination for certain offices for one year.

Filing Date for Questions: Chapter 256 of the Acts of 1964 provides a final filing date for a petition to place a question on a ballot.

Nomination Papers: Chapter 260 of the Acts of 1964 increases the number of signatures required on nomination papers for State Primaries.

Absent Voter Ballots: Chapter 266 of the Acts of 1964 provides a penalty for unlawful distribution of absent voter ballots.

State Primaries: Chapter 338 of the Acts of 1964 is an Emergency Act setting the date for the State Primaries on Thursday, September 10, 1964.

QUESTION NO. 5

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative?

SUMMARY

The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice and consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board and Appellate Tax Board, which appointments shall continue to require Council action. However, should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointment in the executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the Governor.

Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which removals must still receive Council approval. As in the case of appointments still requiring Council approval, such recommended removal from the Youth Service Board must be acted upon by the Council within thirty calendar days; otherwise the proposed removal shall become effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of the making of the appointment, remove the person appointed without cause.

The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations.

Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.
